Restaurant Valle Losca

Izvornost namirnica i kvaliteta sastojaka u kuhinji
osnovni su postulati kojima se rukovode kuhari konobe
Valle Losca, smještenog na samom početku glavne
ulice što vijuga kroz Volosko.

Lokacija koja ima pola stoljeća dugu ugostiteljsku
tradiciju odiše Mediteranom, a takva je i ponuda

gastronomске priče, pri čemu velik dio namirnica
i začina koji se nađu na tanjuru stiže iz vlastite
proizvodnje.

Uz ugodnu atmosferu male primorske konobe i tek
nešto veće terase s pogledom na more i vološčanske
krovove, Valle Losca nudi sve sastojke za dobar
gastronomski doživljaj.

Ribarnica Volosko svoju gastronomsku priču temelji na jednostavnim i ukusnim jelima od ribe i plodova mora, uz svakodnevno svježu ponudu iz vlastitog ulova. U maloj kuhinji smještenoj uz glavnu vološčansku ulicu stvaraju se tipična primorska jela – od liganja ili ribljih fileta na žaru do brudeta – koja se, uz čašu vina kuće, mogu kušati na visokim stolovima terasice smještene uz kuhinju ili rustikalno uredenoj konobi.

Ovo je odlično mjesto za temeljno upoznavanje s primorskom gastronomijom, u samom srcu mediteranskog Voloskog.

Specijaliteti Ligne frigane i na žaru, frigana mala plava riba, odrezak od morskog psa, odrezak od grdobine.

Specialities Fried and grilled squid, fried little blue fish, shark steak, anglerfish steak.

The "fish market" Volosko has a gastronomic story based on simple and tasty fish and seafood dishes, with an always fresh offer based on their daily catch.

In a small kitchen situated next to Volosko's main street, typical coastal dishes are created – from grilled squid and fish filets to the brudet (typical fish stew) – which, with a glass of house wine, can be tasted at the bar tables on the terrace located next to the kitchen or in the rustic-style tavern. This is a great place for a thorough introduction to the coastal gastronomy, to be tasted in the heart of the Mediterranean Volosko.

Konoba / Tavern Tramerka

④ Volosko, Andrije Mohorovičića 15

Gault & Millau
MAKING LIFE TASTY

Pod kamenom vltom, na doista jedinstvenoj lokaciji u staroj jezgri Voloskog, među stubištimi i zidovima kuća s drvenim „prošijanima“ svoje je mjesto našla konoba Tramerka, jedna od perjanica gastronomije u mjestu koje je poznato upravo po velikom broju izvrsnih restorana.

Posebnost Tramerke je „otvoreni“ jelovnik, na kojem su glavne „zvijezde“ rijetko kada poznate dan unaprijed, već se kuhari prilagođavaju jutarnjem ulovu ribara, ponudi gradske tržnice i OPG-ova s učkarskih padina, kako bi se osigurala svježina namirnica i kvaliteta obroka.

Tramerka found its place under the stone vaulted passage, in a truly unique location in the old town of Volosko, among the staircases and the walls of the houses with wooden shutters (locally called prošijane). It is one Volosko's crowning glories, since Volosko is known for the great number of excellent restaurants.

The particularity of Tramerka is the "open" menu, where the main "stars" are rarely known a day in advance, but the chefs adapt to the fishermen's morning catch, to the offer of the city market and of the family owned local producers from the Učka slopes, in order to ensure the freshness and the quality of the food.

Najbolje atributi Voloskog u svoju je priču utkala Ostaria Veranda – prekrasan pogled na zaljev s terase lokal u samom središtu mjesta i kulinarske delicije što počivaju upravo na ribi i plodovima mora. Svoje mjesto u kuhinji pronašli su prvenstveno autohtonji proizvodi, a mesna i ribljia jela pripremaju se po autohtonim i tradicionalnim receptima, ali sa suvremenim pristupom. Slično vrijedi i za sam restoran, otvoren na lokaciji obilježenoj dugom ugostiteljskom tradicijom, ali uz osvježenu ponudu i ugodnu, domaćinsku atmosferu.

Ostaria Veranda gathered all the best attributes of Volosko in its story – a beautiful view of the bay from the terrace of the restaurant located in the very town center and culinary delicacies based on fish and seafood dishes.

The main dishes of the kitchen are primarily autochthonous products, and meat and fish dishes are prepared according to autochthonous and traditional recipes with a modern approach. The same is true for the restaurant itself: open in a location marked by a long catering tradition, but with a refreshed offer and a pleasant, household atmosphere.

Ova svestrana namirnica kao predjelo poslužuje se sirova, marinirana uz nekoliko kapi maslinova ulja i limunova soka, izvrsno odgovara kao dominantni okus u rižotu i drugim toplim predjelima, no najpoznatiji i najcjenjeniji način priprave je „na buzaru“, koja naglašava ne samo okus, već i miris kvarnerskog škampa.

The Kvarner Shrimp

Among the ingredients specific for the region, the main element is the Kvarner shrimp, which stands out for its special size, reddish color, thin shell and rich taste of its flesh.

This versatile ingredient is served raw as an appetizer, marinated with a few drops of olive oil and lemon juice, perfectly suited as the dominant flavor in risotto dishes and other warm starters, but the most famous and appreciated way of preparation is the buzara (a type of traditional stew), which emphasizes not only the taste, but also the scent of the Kvarner shrimp.

Restaurant Molo

② Opatija, Zert 3

Ime je – lokacija, barem u slučaju restorana Molo, koji se nalazi na atraktivnoj poziciji na samom opatijskom mulu, kao „gastronomski vrata grada“ za sve posjetitelje što u Opatiju stignu morskim putem. Suvremeno uređeni restoran upečatljivog modernog dizajna među drvenim brodicama i uglačanim kamenom mula – slika je to koja otkriva i kulinarSKU filozofiju Mola: tradicionalna jela od plodova mora, mesne delicije i tjestenine pripravljeni iz „suvremene perspektive“.

The name is also the location, at least in the case of restaurant Molo, located on the attractive Opatija's pier (the name molo means pier), as the "gastronomic gate of the city" for all visitors who arrive in Opatija by sea. A modernly arranged restaurant with distinct contemporary design, located among the wooden boats and the polished stones of the pier - a picture that reveals Molo's culinary philosophy as well: traditional seafood dishes, meat delicacies and pasta prepared from a contemporary perspective.

Tradicija Italije povezana je s tradicijom Opatije, pa je tako jedno od popularnijih jela nazvano pizza Valium, u čast slavnog kemičara Lea Sternbacha koji je djetinjstvo proveo u kući u kojoj danas djeluje pizzeria Roko.

This small and traditionally decorated restaurant resembles the rustic ambience of Italy's south, the place where pizza was born. Pizza is here the main dish, but the restaurant is also famous for its homemade pasta and risotto as well as desserts from own production. Since Italy's tradition is connected to the tradition of Opatija, one of Pizzeria Roko's most popular dishes was named "Pizza Valium", in honor of the famous chemist Leo Sternbach who spent his childhood in the house where the pizzeria operates today.

Restaurant Roko

⑩ Opatija, Maršala Tita 116/2

Gotovo stotinu godina duga je tradicija ugostiteljstva u prostoru restorana Roko, smještenog uz glavnu opatijsku ulicu. Još dvadesetih godina prošlog stoljeća tu se nalazio ugostiteljski objekt od kojeg današnji restoran baštini uređenje, ponuda, pa čak i način serviranja jela.

Upravo zbog toga gastronomsko iskustvo u restoranu Roko nosi posebnu dimenziju doživljaja – jela s roštilja, mesni i riblji specijaliteti, tjestenine i rižota pripremljeni su poštujući tradicionalnu kuhinju ovog kraja, ali su pritom obogaćeni suvremenim kulinarskim dostignućima.

The tradition of Restaurant Roko, located next to the main street of Opatija, is almost a hundred years long. In the twenties of the last century the same building hosted a restaurant from which today's Roko inherited the decoration, the offer and even the way of serving dishes.

This is why the gastronomic experience of Restaurant Roko carries a special dimension of experience – grilled dishes, meat and fish specialties, pasta and risotto are prepared respecting the traditional cuisine of this region, but enriched with modern culinary achievements.

Šparoge

Šparoge, ili kako ih naziva lokalno stanovništvo – šparuge, spadaju među najukusnije šumske poslastice i svojim specifičnim okusom obogaćuju gastronomsku ponudu brojnih restorana Opatije. Divlje šparuge, koje vrijedne ruke beru u gustim učkarskim šumama, na tanjure stižu u brojnim varijantama – u rižotima i tjesteninama, kao prilog mesnim jelima – no posebno su popularne u „fritajji“ s jajima.

Niska kalorična i visoka nutritivna vrijednost šparuga čini ih idealnom namirnicom u koju mogu bez grižnje savjeti uživati i oni što održavaju vitku liniju.

Asparagus

Asparagus, or as it is called by the local population - šparuge, are among the most delicious treats from the forest and their specific flavor enriches the gastronomic offer of numerous Opatija's restaurants. Wild asparagus, collected in the dense forests of Mount Učka, are served in numerous versions – in risotto and pasta dishes, as a side dish of meat dishes, and are especially popular in egg frittatas.

This low-calorie and highly nutritional ingredient is also ideal for those who want to maintain a slim figure.

The excellent position along the sea is the main reason that makes Bistro Nostromo a good choice for a summer gastronomic destination – the sea panorama that stretches in front of the terrace of the restaurant truly resembles the view that extends from the deck of a boat, so it is not surprising that the restaurant was named nostromo meaning boatswain, i.e. a ship's officer in charge of equipment and crew.

Između Opatije i Ičića, u skrovitoj uvali smjestio se Mali raj, boutique hotel i restoran koji je izrastao iz dugogodišnje obiteljske ugostiteljske tradicije. Jelovnik restorana bazira se na lokalne namirnice pripravljene tako da njihovi specifični okusi dodu do izražaja. Ponuda jela ovisi o godišnjim dobima, pa će tako proljeće obilježiti šparoge, jesen maruni, a ljeto vrhunski kvarnerski škamp te slastice od slatkih lovranskih trešnja.

Terasa na koju se ulazi s obalnog šetališta u sjeni stoljenih hrastova i s fantastičnim pogledom na beskrajno plavetnilo dodatno će naglasiti kvalitetu gastronomiske ponude.

Situated in a secluded cove between Opatija and Ičići, Mali Raj is a boutique hotel and restaurant created from a long family restaurant tradition. The menu is based on local ingredients prepared to highlight their unique tastes.
